Dear Parents,

As part of our continued efforts to raise the standards of literacy in school, we would like to invite parents into school to support the children with their reading. Reading regularly to an adult has been shown to significantly increase the rate of progress that children can make with reading— we have really valued the impact that parent helpers have had on making a huge difference for a large number of children in school.

We would really appreciate any support including parents/grandparents/carers, who would enjoy coming into school to listen to some children read. Typically, you would work one-to-one with a child, talking about the book they're reading and listening to them read.

Once we know how many people are able to help, we will arrange a date on which we will be able to provide an induction and carry out a DBS check.

If you'd like to volunteer, please fill out the slip below and return it to your class teacher.

Thank you in advance.
