

‘Dos and Don’ts’ for Parking and Dropping Off

DO

- Park along the full length of Drift Rd.
- Consider what time you need to be leaving home to give ample time to park and walk.
- Walk to school whenever possible.
- Take it in turns to give friend’s children a lift to help reduce the number of cars.

DON’T

- Park on yellow lines or zig-zags.
- Double park.
- Stop and ‘drop-off’ in the road with traffic behind or in front of you.

Thank you for considering the safety of others, yourself and most especially the children.

Help keep our school area safe with responsible parking.
