5th October 2020

Dear Parents/Carers,

October arrived with the rain last week. We were very glad to see our new entrance has reduced the flooding in the driveway.

Thank you for observing the one way system for entering and leaving the site. This helps everyone to keep to a safe distance. We have now opened up the double gates at the end of the day to make more space. Please enter via the double gates and leave through the music garden.

The office remains closed for visitors at this time to ensure we can keep everywhere clean and safe for everyone. Please only enter the building if you have are working in school. If you need to contact the office please phone or use the email d.still@st-matthews.hants.sch.uk

We are continually updating our risk assessment in line with guidance and circumstances this is to ensure that we continue to be vigilant and minimise risk; whilst providing a broad curriculum.

Remember if your child develops a continuous cough or high temperature you need to get a Covid19 test. If your child just has a runny nose and cold then they do not need testing. If in any doubt please keep them at home and get tested as soon as possible. **Please see the DFE letter – for information on when to get your children tested.**

REMOTE LEARNING

The teachers will be posting the week's work on the website each week. If your child is awaiting a test or isolating then they will be able to continue their learning at home using the resources. The teachers will be able to feedback via the class blogs. **Please see the letter attached.**

Achievements

It is not too late to send in work that the children produced in 'Lockdown'. We are putting a book together to share all these achievements. Some photos of cycling, walking, cooking etc would be great too.

Please keep reading regularly with your children – this has helped enormously during 'Lockdown' and many of the children are now reading much more fluently due to your continued hard work.

The Reading Dog has been into school and an article is in last week's Herald. Oak class are featured.

The Stars of the week and Birthdays are attached. We have been looking out for children who are being respectful towards others and many children have been rewarded in class for this behaviour.

Respect, Faith, Friendship, Achievement

HARVEST

Please see the attached letter about our creative Harvest idea this year. We hope it will make the community smile, enjoy being outside and raise money for the foodbank!

Stay safe everyone and keep smiling.

Mrs PH
Headteacher.
