

Dear Parents/Carers

My brother and sister in laws, Major Alec and Major Andrea Still are based in Portsmouth and Southampton and work especially with those in need. At Christmas time they would normally cook Christmas lunch for approximately 200 plus people but will not be able to do so this year due to Covid.

They are planning on putting together parcels for these people and other families in need. They have very good food supplies from local food suppliers and their food banks but would like to top up the parcels with a few luxury items and toys for children.

We are going to have a collection box here at school and if anyone can donate a brand new toy (not gift wrapped) ie toy cars, dolls, jigsaw puzzles, games or colouring sets and any boxes of chocolates or selection packs that would be fantastic.

I will deliver these parcels to them on Saturday 12th December so that they have plenty of time to put them together.

Thank you so much for anything you can give.

Debbie Still
