

## Rainbow Class Newsletter Autumn 1

Welcome to our school. I will send one of these newsletters out fortnightly but if you have any

questions about anything please come and ask.

We will be learning...

### Personal, Social and Emotional Development.

To know the routines of the class and where to find everything.

To try new things.

**HEART SMART MEETING FOR PARENTS-WEDNESDAY 12<sup>TH</sup> OCTOBER 2.15**

### Communication and Language.

To listen carefully when others are speaking.

To think about our emotions and feelings.

### Mathematics.

To count the numbers up to 10-and beyond-  
and begin to know how to write them.

To join in with number rhymes that help our  
counting.

### Literacy.

To write in fun ways around the classroom eg in the telephone book in the house.

To begin to write our own names.

**PHONICS/LITERACY MEETING FOR PARENTS-WEDNESDAY 5<sup>TH</sup> OCTOBER 2.30**

### James Littlefield.

James is one of the new Rainbows who was born with a condition that meant that he could not swallow. He is super friendly and energetic and deals with this condition brilliantly but he can often be sick, especially after eating. This is entirely normal for James and it does not mean that he is ill or that it is contagious in any way. We are making you aware so that if your child comes home and talks about it you do not get worried that a sickness bug is prevalent in Rainbows.

### Other Information.

Please write names in all uniform including wellies and forest school clothes.

If you need to tell us anything please speak to us or write it in the blue books.

We ask for a voluntary contribution of £1 per half term, which helps us to cover the cost of different cereals and snacks throughout the day, and occasionally a class treat.

Fenn, our golden retriever-reading dog, comes to read with us most weeks. If your child has any allergies to dogs please let us know.

I have sent home a sheet about teeth with this letter and some toothpaste as we have been talking about being healthy.

Rainbows are busy fund raising for a new carpet and some traffic signs for outside. If you can please help on the PTFA stalls at the apple farm on Sunday October 9<sup>th</sup> as we are going to have some of that money for our resources.
