

Half Term Homework

Topic: Stone Age to Iron Age

Due in: Thursday 20th October 2022

This half term, we are exploring the Stone Age to the Iron Age. For your half term homework, we would like you to create an artefact from this time and write some information to accompany it. You could create a cave painting, a weapon, a house or anything else you can think of.

The information should tell us what the artefact is, a description of it, what it was used for or why it is significant.

We will look forward to seeing your artefacts at our class museum that we will have after half term.

Miss Welch and Miss Lee
