PE Sport Premium

PE and school sport play a very important part in the life at St Matthew's School. We believe that PE provides children with:

- **A lifelong positive attitude to exercise and a healthy lifestyle**
- **Increased understanding of our Christian values of respect, friendship and achievement.**
- **Opportunities for sportsmanship, fair play and equality for all**
- **Physical skills for sporting opportunities across their Primary education and beyond**
- **An opportunity to experience success beyond the academic area**

Our overall aim is to raise standards in PE and school sport, increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improve learning for all. This means extra coaching for teachers as well as the children so staff are well prepared to teach a wide range of sports skills.

We have been advised by the Local Authority in Hampshire that St Matthew's will be receiving £18,060 of PE Sport Premium 2022.

With these things in mind, St Matthew's currently has £18,060 of PE Sport Premium funding.

Our plans for the use of the PE Sport Premium can be found on the following two pages.

PE PREMIUM FUNDING IMPACT April 2022 – March 2023

Amount to be received: £18,060

EXPENDITURE 2022/23	COST	AIM –	IMPACT
Specialist P.E teaching lesson weekly	£10,500	To improve skills during P.E lessons using specialist sports leaders to extend the number of sports experienced by all pupils	Has allowed the school to adapt and adjust curriculum to children needs and provide high quality P.E. This have been achieved by adding new sports such as spikeball, volleyball.
Use sports leader to provide half class sessions to support our catch up curriculum programme.	£2,500	To give teachers smaller ratio of adults to children to provide tailored learning for all children in core subjects and P.E.	Outcomes for children in maths, reading and writing have increased in most year groups. Quality of P.E has improved as smaller groups which allows more targeted teaching.
Swimming lessons	£2925	To give children access to swimming lessons with a specialist teacher on school grounds.	All children have had access to swimming from Year R – Year 6. 87% of Year 6 achieved the 3 national curriculum objectives.
Tournament and after school club.	£485	To give opportunities for pupils participating in competitive sports across the community.	By providing as many oppertunies to allow children to take part in festivals/tournaments. With 74% of the school (Yr 1 – Yr 6) attending at least one tournament or festival.
PE supplies	£800	To improve and give children access to wider range of equipment to help improve skills for all groups of pupils.	This has allowed the school to provide different experience whilst maintain school P.E Curriculum topics. All necessary equipment brought at time when needed.
PESS 5 completion	£350	To allow the PE coach to have further understanding and qualification to lead PE as a subject within school	Has allowed PE across the school to be developed further.
Training for lunchtime play-leaders.	£500	Train children during lunch hour to organise games for other pupils, monitor this throughout year. To continue good team spirit and team work at lunch play. Also to introduce new games and leadership skills.	Children have developed leadership skills and applied them by running games and activites at lunchtime.
