Dear Parents/Carers

We look forward to welcoming the children back tomorrow and hope everyone had a wonderful Christmas. May 2024 brings us all peace, joy and prosperity.

On the last day of term, the children in each class nominated a child they believed deserved our friendship award. We wish to congratulate the children with the most votes for being such amazing friends in Rainbows – Marlie Jai, Oak – Betty, Apple – Ava C, Willow – Luna, Ash – Charlie, Sycamore – Isabelle, Beech – Sacha.

Our Santa Dash event was extremely successful and again we thank everyone who sponsored the children. The class with the most sponsorship was Willow (Year 3) who will be rewarded with a class treat this term.

Thank you for your continued support.

Kind regards

Mrs PH

Our Class with the most items was Willow. Well done to everyone in Willow Class!

SYCAMORE & BEECH WINCHESTER SCIENCE CENTRE TRIP – MONDAY 8TH JANUARY

Please remember to provide your child with a packed lunch and drink. Children will need to wear their full school uniform and bring a waterproof coat. The coach will leave at 8.50am and return to school by 3.10pm.

ABSENCE REPORTING FOR SAFEGUARDING

Please DO NOT send the office emails if your child is ill, please call the dedicated "Absence" phone line, which is checked before registration is signed off, to notify when your child is not well. All issues regarding our new digital telephone line have now been rectified. We thank you for your co-operation in this matter.

If you cannot provide a date for your child's return, we require you to contact us every day until your child is better and returns to school. Safeguarding regulations state if a child is absence for more than a day and we have not received notification of this absence from the parent/carers, then the school MUST notify the authorities that the child is "Missing in Education".

LIP BALM

During the colder months, if you wish your child to administer lip balm, please provide a named chapstick (ensuring ingredients is nut free – some contain almond extract) that can be kept in their class and a note in their blue Home Partnership book for teachers to be made aware. Regrettably, we are unable to administer normal Vaseline to children's lips due to an update in school healthcare guidelines. Thank you.
