Dear Parents/Guardians

We are expecting extremely cold weather this week and would ask that all children have a named warm coat, hat, scarves and gloves in school to keep them cosy outside at playtimes.

We have noticed a number of parents turning their cars in the school road opposite where the children's entrance to school is located. Please refrain from turning your car at this point and drive down the road towards church to turn around at the junction. Our children's safety is paramount and it is dangerous turning in the busy part the road, blocking traffic and reversing into the path where our school walkway entrance is situated. Please drive with caution, park sensibly and keep our children safe outside our school. Thank you for your co-operation.

We were delighted with the number of bags collected for Bag2School and thank everyone who contributed to this great collection. The total weight of all our bags was 350kg and school will receive money for the number of kilograms collected.

Thank you for your continued support.

Kind regards

Mrs PH

### **KS2 START TIME 8.45AM**

We experienced a large number of children entering the premises after 8.45am last week from KS2. We expect KS2 children to be present in the classroom at 8.45am for registration. If your child is late for a legitimate reason, please send them via the school office to be registered. Thank you for your co-operation.

### **SPRING CENSUS DAY – THURSDAY 18<sup>TH</sup> JANUARY**

We try to encourage as many children in school, especially KS1 (universal infant free school meals), to have a school dinner on Census Day rather than bringing a packed lunch to maximise our potential school funding. The Spring Census is used by the local government to gather data about our school and determine our early years funding block.
