

## ENGLISH

### FOCUS: To entertain

To write a story about how to hatch a dinosaur! We will share these stories with Year 2 who are also studying dinosaurs.

### FOCUS: To Inform

We will be reading 'The Fossil Girl'. At the end of our learning journey we will create instructions to help other people find fossils.

## RELIGIOUS EDUCATION

During the last week before Easter we will be exploring Easter.

We have some eggs due to hatch for this RE Week.

## DT

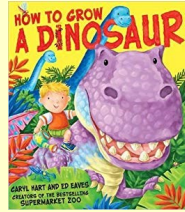

With a focus on Mary Anning, we will be looking at axels and wheels to create a vehicle for Mary to carry her fossils!

## Art

This half term, Oak Class will be exploring the medium of clay to sculpt our own fossils!

## SPRING 2 DISCOVERING DINOSAURS

### KEY QUESTION:

Is it important to remember famous people from the past?

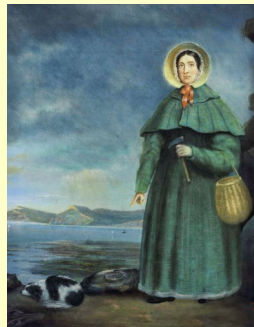

### KEY VALUES:

Strength    Prejudice    Passion

## HISTORY

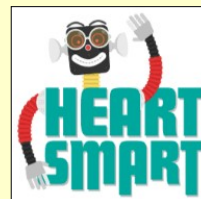

We will be exploring the life of Mary Anning this half term and considering what made her remarkable for her time.

We will be using a range of resources to help us find out about the past and explore how events have been represented in history.

## HEARTSMART

Our theme for this half term is 'Don't rub it in—rub it out!'

## MATHEMATICS

This half term we will continue to develop our Place Value skills, this time working within 50. The consolidation of these skills will help us with other aspects of our Maths learning.

We will be introducing the concepts of length and height as well as mass and volume. Oak Class will continue to use concrete resources to support their understanding.

## PHYSICAL EDUCATION

We will be doing PE on Monday mornings. Forest School is on a Thursday afternoon.

## SCIENCE

We will be continuing with our Longitudinal Study of the Bee Garden. We will be exploring how it changes with the seasons and the effects that humans can have on this environment.
